

Rhythm and percussion

Welcome!
Today we are going to explore the app called 'Rhythm'!

Do you remember the 4-beat body percussion composition? Today, we'll help make your own body rhythms!

4 crotchets
stomp
4 times!

8 quavers
clap 8 times

16 semiquavers
tap your chest
16 times

Go to Chrome Music Lab, open this app: 'Rhythm'.

We can try a few different beatss!

Let's start!!

Let's start from scratch and make our own rhythms!
 How many beats in each bar?
 What are the names of the instruments?
 Look and listen, and write down below!
 Fill up the names withn the () !

(3) beats

Instruments: (Timpani)(Triangle)

() beats

Instruments:

(H) (S) (T)

() beats

Instruments: (W) (C)

() beats

Instruments: (C) (C)

Choose 3 different body percussion movements for each sound: low, middle, and high. Start from low on each beat, then play along with the app!
